Joann and Bicky,

Happy belated Thanksgiving,

I will be in town next week and hoped to have time to meet with you to give an update on developments related to the Ch'u'itna coal project. At our last meeting on October 3, Administrator Lisa Jackson committed to working with the Native Village of Tyonek (NVT) on a government to government basis through the SEIS process. Since then NVT met with Regional Administrator, Dennis J. McLerran, and the two parties signed a Memorandum of Understanding. It was our understanding that Administrator McLerran would also be meeting with the incoming Colonel that afternoon to discuss roles and responsibilities related to the Ch'u'itna coal SEIS process.

I appreciate that there may be some turn over in your office given the recent election. I also know that there will be many tribal leaders in town given the annual White House/Tribal leaders conference. If you can, however, I would greatly appreciate an opportunity to meet with you to discuss recent developments. I will be in town Monday, December 3rd through Friday the 6th. I have commitments on Monday at noon and Tuesday, December 4th at 1:00 but would be available any other time and day that week that might work for your schedule.

Thanks much and all the best,

Heather Kendall Miller
